Old Business : none

New Business:

1) Spark Grant Update

- a) The exercise equipment has been installed and site restoration has been completed. One part of the equipment remains to be installed and the installer will install the part soon. 50% of the equipment cost is being held back and will be processed for payment when the project completed.
- b) Concrete slabs for the new benches, picnic table and gazebo. MacArthur Construction will set the slabs. Manager and committee will determine the slab locations.
- c) The DNR type trail gates will be ready for pickup on or before Oct. 20. MacArthur Construction will pickup the gates and store them until they can be painted and installed.
- d) The trail signs should be delivered soon. Manager and committee will install the signs.
- e) The playground equipment locations have been staked and the equipment is scheduled for installation around the end of September.
- f) The campground lakelot embankment project is being reviewed by the project engineer and committee. The limits for the filling need to be determined.
- g) The ADA trail is scheduled for paving on Sept. 30.

2) Campground electric upgrade – Committee is in the process of obtaining cost quotes from 2 contractors for the upgrade. It may be possible to use Spark Grant funds for the upgrade.
