

## Alpena Boosters Club

Project: Wings over Alpena

Grant: \$10,000.00

This grant was given to Alpena Boosters Club to help pay for the fuel needed for the 2012 Wings Over Alpena Air Show, “Korean Conflict: The Forgotten War”. The event is free to all Alpena County residents. The event had an overwhelming attendance, servicing over 25,000 people. The fuel budget was in excess of \$19,000.00. These funds allowed for some spectacular aerial displays of some wonderful vintage Korean War Aircraft.
