

## **Alpena Swim Club**

Project: Alpena Swim Club Equipment

Grant:\$4,180

This grant was given to help the Alpena Swim Club by equipment caddy, matts, software upgrades, deck cable, and pool time.

Belonging to the Swim Club promotes physical fitness, competitive swimming, builds confidence, sportsmanship, discipline, and goal setting. This grant helped offset the cost of membership for the parents and they had over 50 swimmers this year.
