

Optimist Club of Alpena

Projects: Optimist Club for the Annual Spring Break Fun Day

Grant: \$4,480

This grant was awarded to the Optimist Club for the Annual Spring Break Fun Day; held each year during spring break. The children have the opportunity to swim, play games, win prizes, eat and have fun in a safe and supervised environment at the high school, at no cost to the child. The grant also helped fund the Kids Fishing Day at Culligan Plaza during the Brown Trout Fishing Tournament. Children have the opportunity to learn the techniques of fishing and catch some fish. Between the two events, over 1,000 children participated.
