

Sanborn Township

Project: Shinga-ba-Shores Playground Improvements

Grant: \$8,473

The grant was given to Sanborn Township for Shinga-ba-Shores playground improvements. The fiber fill at the playground was over 10 years old. So, with volunteers, 6 inches of fiber was replaced. The fiber makes the playground, more safe to play in. The park is open at least 7 months out of the year and over 2,000 children and families use the park.
